

Job Position Description Guide for Participants

The following list of jobs match the job positions on the Positions & Skills Addendum. Next to each job position is listed the minimum level of English required to work in that particular job. If you were not rated the minimum English level, please do not mark the position on your Positions and Skills Addendum. Listed beside each job you will also find the skills that may be needed to support the job position (from the CCUSA skills list). If you possess the skills necessary for the job, please read the description to help you decide if you want to select the position on your Addendum.

* Please bring this guide with you to your Placement Option interview. Your English comprehension, speaking ability and communication will be assessed at the time of the interview. After you receive your English ratings you may complete the Positions & Skills Addendum. If you completed the addendum before the interview and you learn that your English is not strong enough to apply for certain positions, you will need to complete a new addendum after the interview.
